

Electrical Room 1807

Scale: 1/4" = 1'

Notes:

- 1 Pull box for second floor emergency panel feeder. Mount as low as possible on the wall. 6"D x 6"W x 12"T.
- 2 Location of pull box for second floor normal panel feeders. 8"D x 14"W x 30"T.
- 3 Pull box sizes indicated are minimums. See the $\diamond\#$ notes on E6.03 to verify dimensions.
- 4 I reversed the panels layouts on the east and west walls to make room for the light switch.
